

STEVEN NGOC-SON NGUYEN

215 SANTA MARIA, IRVINE CA 92606 • (805) 758-3763 • STEVEN.NGUYEN194@GMAIL.COM

EDUCATION

University of California, Irvine

March 2017

Bachelor of Science in Informatics

GPA: 3.4

Dean's Honor List: 4 Quarters

EXPERIENCE

Netaphor Software Incorporated, Irvine, CA

June 2015 – March 2017

Quality Assurance Intern

- Manually tested and maintained test case documentation for SiteAudit and its extensions, reporting bugs and defects to the Engineering Department
- Conducted functionality, usability, interface, and compatibility tests on a front end web application I developed in AngularJS that consumes an in-house C# based RESTful API
- Automated the process for creating organizational structures using Python, Excel, and SiteAudit's XML import feature
- Wrote internal documentation on how to run performance tests using Window's Performance Monitor against SiteAudit

Danielle Lin Show, Holladay, Utah (Remote Position - Contracted)

April 2015 – March 2017

Digital Marketing Coordinator

- Coordinated social media blasts on 8 platforms with team members located throughout the country
- Optimized over 200 podcasts for RSS feeds and successfully submitted the show to iTunes and Stitcher

Technology Billionaires, Costa Mesa, CA

December 2014 – March 2015

Web Design Assistant

- Facilitated in-person, email, and phone communications with six clients to gather requirements, changes, and/or updates for websites

PROJECTS @ github.com/stevennnnguyen

Language Buddy
